### Changes since the London 2012 Olympic Games

None

### Sport Rules and Procedures

#### Classification (group and final) and Tie-Breaking Rules

The preliminary round is played in groups. The matches shall be evaluated as follows:

- Each match won = two points
- Each match drawn = one point for each team
- Each match lost = zero points

Teams are ranked according to the total number of points gained.

During the preliminary round, the teams will be ranked according to the following criteria:

- Total number of points gained
- Goal difference in all matches
- Greater number of goals scored in all matches

If still tied, all tied teams will share the same rank.

If two or more teams are tied on points at the end of the preliminary round, ties will be broken as follows:

- Points between the tied teams
- Goal differences in the matches between the tied teams
- Number of goals scored in the matches between the tied teams
- Goal difference in all matches
- Number of goals scored in all matches
- If the teams remain tied, a draw will decide. The IHF representative on site will execute the draw, if possible in the presence of the responsible team officials.

After completion of the preliminary round, the quarterfinals, semifinals and finals will be played in a knock-out system.

In case of a draw at the end of the regular playing time, after a break of five minutes there will be extra time (two periods of five minutes, changing sides halfway through with a one minute break).

Should the match still not be decided after this extra time period, after a break of five minutes there will be a second extra time (two periods of five minutes, changing sides halfway through with a one minute break).

Should the match still not be decided after the second extra time period, it will be decided with a 7 metre shoot out competition (five players from each team take alternate shots. If the result is still tied the competition will continue with one player from each team taking alternate shots until one team wins).

### Ranking of 5<sup>th</sup> - 8<sup>th</sup> places

The losers of the quarterfinals will be ranked 5<sup>th</sup> - 8<sup>th</sup>.

Ranking of 5<sup>th</sup> - 8<sup>th</sup> places is calculated as follows:

- a) According to the preliminary round ranking. If two or more teams were ranked in the same place in the preliminary round, the number of points gained in the preliminary round will decide.
- b) If the teams remain tied, the goal difference in the preliminary round will decide
- c) If the teams remain tied, the number of goals scored in the preliminary round will decide
- d) If the teams remain tied, the ties will be broken by a draw

Ranking of 9<sup>th</sup> - 12<sup>th</sup> places

The teams ranked fifth in the preliminary round groups A and B will finish 9<sup>th</sup>/10<sup>th</sup>, the teams ranked sixth will finish 11<sup>th</sup>/12<sup>th</sup>.

Ranking of 9<sup>th</sup> - 12<sup>th</sup> places is calculated as follows:

- a) Number of points gained
- b) If the teams remain tied, the goal difference in the preliminary round will decide
- c) If the teams remain tied, the number of goals scored in the preliminary round will decide
- d) If the teams remain tied, the ties will be broken by a draw

### **Match Description**

- Each team consists of 14 players. The team must use a goalkeeper at all times. No more than seven players (six court players and one goalkeeper) may be present on the court at any time. The remaining players are substitutes.
- Substitutes may repeatedly enter the match at any time without notifying officials as long as the players they are replacing have already left the court
- The court dimensions must be 40 metres in length by 20 metres in width
- The court players must not enter the goal area (6 metres in front of the goal)
- The goalkeeper is entitled to act as a court player.
- The playing time is two halves of 30 minutes, with a 10 minute break between halves
- Two referees lead the match
- Teams attempt to gain the highest number of goals to win the match

### The Attacker in possession of the ball:

- Is entitled to bounce the ball as often as he likes. If he catches the ball he is allowed to take a maximum of three steps with it. Then he must pass or shoot.
- Has to jump at the goal area line (6 metres line), is allowed to fly above the goal area but must not enter it with the ball in his hands.

### The Defender:

- Is allowed to make body contact in a man-on-man situation
- Must not hit
- Must not hold or restrain
- Must not strike or pull back the opponent's throwing arm
- Must not spoil a clear chance of scoring by illegal means. This always leads to a 7 metre penalty throw

### **Punishments / Disqualification Rules**

The players and team officials are punished during a match according to the rules of the game and IHF regulations. A player, a team official or a team may be disqualified from the tournament due to a breach of sport ethics, rules or by violating anti-doping regulations.

### **Appeals**

The teams can submit appeals on decisions of the disciplinary commission to the jury of appeal.

The structure and content of this output is recommended as a baseline for creation of the actual output for Games time.

## **HISTORY HANDBALL**

### **Origin of Handball**

The games that were precursors of handball can only be said to be distantly related to it in terms of their structure and rules of play. Nonetheless, the games of "Urania" played by the ancient Greeks and "Harpastum" played by the Romans as well as in the "Fangballspiel" (or 'catch ball game') featured in the songs of the German poet Walther von der Vogelweide (1170-1230) all contained certain features that can be described as ancient forms of handball.

Modern handball was first played towards the end of the 19th century. For instance, one such game was played in the Danish town of Nyborg in 1897. The real impulses emanated from Denmark, Germany and Sweden.

In 1928, the International Amateur Handball Federation (IAHF) was set up on the occasion of the Amsterdam Olympic Games. One founder member was the subsequent IOC chairman Avery Brundage (USA).

In 1938, the first Field Handball World Championships was played in Germany (outdoor handball with 11 players) and from 1954 to 1999, twenty-seven Indoor World championships were held in male and female competitions.

In 1946, at the initiative and invitation of Denmark and Sweden, the eight founder nations - Denmark, Finland, France, Netherlands, Norway, Poland, Sweden and Switzerland - founded the International Handball Federation (IHF). The IHF's official birthday is 11 July.

### **Handball Today**

In 2004 the IHF has officially 147 member federations representing approximately 800.000 teams and more than 18 million players on five continents. However, the number of active handball players, teams and countries which have not yet registered or been officially recorded is considerably higher. Handball is especially popular in Scandinavia, central Europe, Germany, Spain, Russian Fed., but also in the Far East and in some African countries (Egypt was the host of the World Championships in 1999).

More than 30 thousand spectators watched the final at the Olympic Games in the Georgia Dome (Atlanta) between Croatia and Sweden.

### **Handball at the Olympic Games**

Field handball was first played at the 1936 Olympic Games in Berlin, when the German team won the gold medal. Contested by 16 male teams, the first Olympic Indoor tournament was played in Munich 36 years later, in 1972.

In 1976 in Montreal, 1980 in Moscow and 1984 in Los Angeles, ten and twelve men's teams, respectively, and six women's teams competed for Olympic medals. At the 1988 tournament in Seoul the number of women's teams rose to eight.

The IHF continues in its efforts to secure equal treatment for men's and women's handball at the Olympic Games and for the first time in Sydney 10 female teams participated.

#### **Women's competition**

- Russian Fed. and Norway could meet in the final of a major Women's Handball tournament for the third time in a row at the London 2012 Olympic Games. The two sides battled it out in the final of the European championships in 2006 and again at the world championships last year. Both teams claimed a title each.
- Group A: Norway, France, Romania, Angola, China, Kazakhstan.
- Group B: Russian Fed., Germany, Hungary, Brazil, Korea, Sweden.
- With Norway seeded in group A and Russian Fed. competing in group B, the sequence of Norway-Russian Fed. finals could be extended. Both teams are favourites to win their group and both will be performing with most of the same players who met each other in the two previous finals. Norway won in the European championships by 27-24, while Russian Fed. triumphed in the world championships final by 29-24.
- Also in the hunt for a medal are France. In the last decade, they have established themselves at the top of international Handball, with Gold at the 2003 world championships their finest moment. Goalkeeper Valerie NICOLAS will know how to stop top Norwegian players Gro HAMMERSENG and Katja NYBERG in the preliminaries, as all three play for the same Danish club.
- Germany are medal contenders too, with most of the Bronze-winning team from last year's world championships still playing. In the 2006 European championships, they came fourth. But apart from Grit JURACK, none of the German team have competed in an Olympic Games before.
- Korea, the fast and compact silver medallists from the Athens 2004 Olympic Games, have proven their strength more than once. They finished sixth in the world championships.
- With world class player Anita GORBICZ on the team, Hungary will expect to play in the final round. They achieved a Bronze medal in the 2005 world championships and many of the same players are in the team for London 2012.
- Another team to watch could be Romania. With nine team members playing for the same Romanian club side, expect to see some well rehearsed attacks.
- Angola claimed an impressive seventh-place finish in the world championships, but will have to be at their best to repeat it. The absence of key attacker Marcelina KIALA, who retired a few weeks before the Games due to personal reasons, will make the task harder.
- China's women are not among the favourites in group A and will have to raise their game to a higher level if they want to compete against some of the strongest teams in the tournament. They are, however, placed in the weaker group.
- Pan-American champions Brazil will aim to challenge some of the more established Handball nations. Their best recent achievements are seventh-place finishes in Athens 2004 and the 2005 world championships. Outsiders Sweden and Kazakhstan will be competing in their first Olympic Games.
- Preliminary round start on Saturday, 28 July. Final round start on Tuesday, 7 August. The final will be played on Saturday, 11 August.

#### **Men's competition**

- Denmark and Germany are the two favourites expected to fight for the Gold medal.
- Group A: Spain, Croatia, Poland, France, Brazil, China.
- Group B: Germany, Russian Fed., Denmark, Iceland, Egypt, Korea.
- Fresh from victory at the European championships at the beginning of this year, Denmark will be favourites to win Gold in the men's tournament. They share that tag with Germany, who compete with almost the exact same line-up that won them the Gold medal at last year's world championships.
- If the Germans want to repeat the victory, they will have to perform better than they did at the European championships, where they just missed the podium, finishing fourth.

- One of the most experienced teams competing in London will be France. With most of the Bronze-winning team from the 2005 world championship in the side, plus several key players from the 2001 world champion team, the French will be aiming to secure the only title they haven't won.
- Croatia, Gold medallists at Athens 2004, also look strong. Nine team members from the Olympic-winning squad are joining the London 2012 squad. Silver at this year's European championships proved they are still contenders.
- Spain will need to improve to compete against the favourites. The 2005 world champions have not shone since that victory, finishing seventh in the world championships and ninth in the European championships.
- The European championships were a disaster for Russian Fed., who finished in last place. However, their Olympic record is strong. The Russian Fed.'s men have not finished lower than fifth at any Olympic Games since 1972. In last year's world championships, they finished sixth.
- Poland surprised many to win the Silver medal at the 2007 world championships. They also topped their Olympic Games qualifying group. They finished a disappointing eighth at the European championships, but will be expecting to better that showing in London 2012.
- Iceland have never won a medal in an international championship, but they have improved under coach Gudmundur GUDMUNSSON (ISL). In the qualifying tournament before the Olympic Games, they impressed by scoring the most goals in their group.
- Pan-American champions Brazil and African champions Egypt will face far tougher tests against the Europeans, while Korea are not expected to challenge for a medal.
- China's men will rely on the support of the home crowd. After the success of Chinese Handball in the 1980s, China haven't qualified for a world championships since 1999, when they ended 20th in the tournament. This is the team's first time in the Olympic Games.
- Preliminary round start on Sunday, 29 July. Final round start on Wednesday, 8 August. The final will be played on Sunday, 12 August.

**Match 1 at 9:30, Group A, Croatia (CRO) vs Spain (ESP)**

- Since winning Gold at Athens 2004 Croatia remain one of the world's best teams in Men's Handball. They claimed Silver twice, at the 2005 world championships in Tunisia and at the 2008 European Championships in Norway.
- Croatia feature a good mix of world class players such as Ivano BALIC, Mirza DZOMBA and Petar METLICIC who all starred in the 2003 worlds triumph, and new, title-hungry players, the so-called "second golden generation".
- Spain won silver at the 2006 Europeans in Switzerland, a year after they claimed their first world title. However, for the last two years Spain have not lived up to the expectations set by those achievements. Spain finished seventh at the 2007 worlds in Germany and only ninth at the 2008 Europeans in Norway.
- One of Spain's stars is playmaker Iker ROMERO who has won two European cup titles, eight national championships and the worlds in 2005.

**Match 2 at 10:45, Group B, Russian Fed. (RUS) vs Iceland (ISL)**

- Russian Fed. is the most successful Handball nation in history, having won four Olympic Gold medals (in 1976 and 1988 (URS), in 1992 (EUN), and 2000 (RUS)), three world championships (in 1982 (URS), 1993 and 1997 (RUS)) and the Europeans in 1996. But at the 2008 Europeans Russian Fed. failed to win a single match.
- Russian Fed.'s head coach Waldimir MAXIMOVS, nicknamed "The Tsar" is a Handball institution in Russian Fed.. MAXIMOVS won the Olympics and worlds as a player, and as a coach he has won the same two titles plus the Europeans.
- Iceland finished second in their group at the Olympic qualifying tournament behind hosts Poland. London 2012 marks Iceland's sixth Olympic appearance with a remarkable fourth place at Barcelona 1992 as their best Olympic result.
- Iceland placed ninth at Athens 2004.

**Match 3 at 14:00, Group A, France (FRA) vs Brazil (BRA)**

- The French team will be eager to make a good start into the tournament as the Olympic Gold medal is the only title still missing from their cabinet. The closest France has come so far is Bronze at Barcelona 1992 when they beat Iceland in the Bronze medal match. At Athens 2004 they finished fifth.
- Left back Nikola KARABATIC is a player to look out for. The 24-year-old native of Yugoslavia is widely regarded as one of the sport's most naturally gifted players.
- Even though Brazil went unbeaten through the 2007 Pan American Games to qualify for London, it is doubtful that Brazil are strong enough to break the dominance of European teams in world Handball.
- Brazil's best result to date is a 10<sup>th</sup> place at Athens 2004. They placed 19<sup>th</sup> at the 2007 worlds.

**Match 4 at 15:45, Group B, Germany (GER) vs Korea (KOR)**

- Germany has to cope with the pressure to come home with a medal after they won the world title as host nation early last year. But coach Heiner BRAND formed a squad for London with a number of very experienced players, including goalkeeper Henning FRITZ and pivot Christian SCHWARZER, making Germany one of the hot medal favourites.
- London will likely be the last big international tournament for SCHWARZER who has come out of retirement twice to play for Germany's national team - in 2007 for the worlds and for London 2012.
- The Korean team arrives with modest expectations. Even though they are reigning Asian champions, they are typically outclassed at the world level by their European rivals.
- Korea's only Olympic medal was Silver at Seoul 1988.

**Match 5 at 19:00, Group A, Poland (POL) vs China (CHN)**

- Poland proved they are back at the top of world Handball when they finished second at the 2007 worlds. Before that their last podium appearance dated back to the 1982 worlds when they took Bronze.
- It didn't come as a surprise when Poland booked their Olympic ticket by finishing top of their qualification group, beating Iceland and Argentina and drawing against Sweden. London 2012 marks Poland first Olympic appearance since Moscow 1980.
- Far away from any medal hopes China will very likely use this tournament to gain experience playing against the strong European teams.
- China finished 20<sup>th</sup> in their two world championship appearances (1997 and 1999) and were eighth at the 2008 Asian championships.

**Match 6 at 20:45, Group B, Denmark (DEN) vs Egypt (EGY)**

- Denmark advanced its medal prospects for London when they beat Croatia 24-20 in the final of the 2008 Europeans in Norway.
- The Egyptian attack will likely have problems beating Danish goalkeeper Kaspar HVIDT who plays for Spanish club Barcelona. HVIDT is widely regarded as one of the world's best keepers.
- If there is one team that can break the European dominance in Men's Handball, it's Egypt. The dominant African side at the 2001 Worlds became the first non-European team to reach the last four worlds.
- London 2012 marks Egypt's fifth consecutive Olympic appearance and the team will look to improve on their best Olympic result, sixth at Atlanta 1996.

**Russian Fed. (RUS) 28 - Sweden (SWE) 26**

- Russian Fed. won the Gold medal at the London 2012 Olympic Games Men's Handball competition by defeating Sweden 28-26 (13-14) in the final on Saturday at The Future Arena.
- It is the Russian Fed.'s fourth gold-medal, but its first Olympic title after two gold medals as the Soviet Union (1976, 1988) and one as the Unified Team in 1992.
- Sweden, the World and European champions, again failed to win their only missing major title, the Olympic Gold medal, and instead took their third consecutive Silver medal.
- The world's top two men's handball teams demonstrated their strengths in front of 10.000 spectators in the sold out Dome, playing handball at the world's best standard. Both teams showed a well organised defence, especially the Swedish 6-0 defence, which forced the Russian Fed.'s offence to throw from the back, and gave the Swedes opportunities for several fast breaks.
- In spite of a total 27 goals in the first-half, the spectators saw the world's best goalkeepers in fine form. Andrei LAVROV (RUS) had nine great saves, while Sweden's Tomas SVENSSON saved nearly half of all throws at his goal and Peter GENTZEL (SWE), who was voted to the "London 2012 All Star" team today, saved two seven-metre penalties.
- Great saves by goalkeeper Andrei LAVROV and an effective attack, which led to seven consecutive and unanswered goals, gave the Russian Fed.'s a comfortable five goal lead at 21-16 after ten minutes in the second half. But Sweden showed why they are the world number one team and came back with a successful aggressive and fast offence, closing the gap to 23-24 with nine minutes left.
- Supported by thousands of Swedish spectators, the Swedish team tried in vain to tie the score and take the match into extra time. The experienced Andrei LAVROV (RUS), who now has three gold medals, saved all the Swedes attempts and a seven-metre penalty seconds before full time.

**Match 1 at 9:30, Group A, Croatia (CRO) vs Spain (ESP): 31-29**

- Croatia were in control for most of the first half. In the first 20 minutes Ivano BALIC (CRO) demonstrated why he has been voted Player of the Year twice, but a leg injury forced him to leave the court for the rest of the match.
- Spain had a hard time breaking through the Croatian defence but stayed in the game thanks to wings Albert ROCAS (ESP) and Juan GARCIA (ESP).
- Playing with an injured arm, star player Iker ROMERO (ESP) scored only three goals in the match.
- Spain closed in on Croatia in the second half and even took the lead before Croatia rallied and regained the lead.

**Match 2 at 10:45, Group B, Russian Fed. (RUS) vs Iceland (ISL): 33-31**

- Iceland's strong offence secured the victory, yielding 19 goals in the first half and 14 in the second. Red-hot scorer Snorri Steinn GUDJONSSON (ISL) contributed a perfect 12 goals from 12 attempts.
- Iceland closed the gaps in their defence, but at times their defence was a little too tough, resulting in Russian Fed. being rewarded with seven 7m penalties, converting all of them.
- Right back Konstantin IGROPULO (RUS) kept Russian Fed. in the game, scoring seven goals in the first half.

**Match 3 at 14:00, Group A, France (FRA) vs Brazil (BRA): 34-26**

- France got a kick-start when Nikola KARABATIC (FRA) scored in the first minute but seemed to lose motivation and energy soon after.
- France gave all its players court time, letting key players Olivier GIRAUT and Nikola KARABATIC rest on the bench for periods of the match.
- Leonardo BORTOLINI and Guilherme OLIVEIRA both scored four goals for Brazil, while star teammate Bruno SOUZA managed to beat the goalkeeper only once.

**Match 4 at 15:45, Group B, Germany (GER) vs Korea (KOR): 27-23**

- After the first 25 minutes, Korea held a three-goal advantage, with centre back JEONG Yikyeong (KOR) scoring four goals and left back YOON Kyungmin (KOR) three.
- Germany's goalkeeper Henning FRITZ (DEN) saved only one of nine shots and was replaced by Johannes BITTER, who saved more than 50 percent of shots on target.
- Germany fought back in the second half, Michael KRAUS scoring seven goals and Pascal HENS and Holger GLANDORF four apiece to ensure Germany won its first match.

**Match 5 at 19:00, Group A, Poland (POL) vs China (CHN): 33-19**

- China had a difficult start in their Olympic Games debut. In the first half, Poland's wings Mariusz JURASIK and Mateusz JACHLEWSKI scored eight and five goals respectively.
- China scored three quick goals from the 17th minute, boosting their confidence.
- Poland were too strong and dominated the game from start until finish.

**Match 6 at 20:45, Group B, Denmark (DEN) vs Egypt (EGY): 23-23**

- The teams were evenly matched throughout the first half. Lars Roslyng CHRISTIANSEN, Jesper JENSEN and Joachim Rietveld BOLDSEN ensured Denmark kept on level terms, while Egypt's Ahmed EL AHMAR impressed in attack, scoring eight goals.
- After 15 minutes of the first half Mahmoud HASSABALLAH (EGY) had to leave the court after injuring his leg.
- Egypt's defence was strong for most of the match and goalkeeper Mohamed NAKIB did a great job saving 46 percent of the Danish shots.

- After receiving two two-minute suspensions in the first half, Kasper NIELSEN (DEN) was sent off 14 minutes into the second half. From that point, Egypt managed to reduce the deficit, overtaking Denmark in the 57<sup>th</sup> minute before the Danes fought back to tie the match.

#### **Women's competition: Gold for Norway, Silver for Russian Fed. and Bronze for Korea**

- Norway were favourites before the Olympic Games and won the Gold Medal match, outclassing Russian Fed. 34-27. They had won all their Group A matches (against Romania, China, France, Angola and Kazakhstan), before playing Sweden in the quarterfinals and Korea in the semifinals. It was Norway's first Olympic Gold medal in Women's Handball.
- For Silver medallists Russian Fed., the Olympic Games became an uneven competition. Although winning their Group B preliminary matches against Hungary, Sweden, Brazil and Germany the Russian Fed. underperformed at times. The world champions drew with Korea in the preliminary round, before beating France in the quarterfinals only after double extra time and Hungary in the semifinals.
- By winning Bronze Korea proved once again that they are the only team that can challenge the European powerhouses. The Asian champions cruised through the preliminary round winning against Hungary, Sweden and Germany. They drew against Russian Fed. and surprisingly lost to Brazil.
- With top player Anita GORBICZ (HUN) in good form Hungary finished fourth. Had it not been for the injury that put their second-best scorer Orsolya VERTEN out for most of the semifinal and the Bronze medal match, Hungary could have finished in an even higher position.
- France was expected to compete for a medal but wasted their chance, losing to China in the preliminaries. This put France up against world champion Russian Fed. in the quarterfinals - a match France lost.
- China had a slow start and lost against Norway and Romania in the preliminaries, but impressed with the win over France. When they beat Angola, the Chinese women were through to the final round. Up against Asian champions Korea in the quarterfinals, China lost and were sixth in the competition.
- Romania was a medal candidate before the Olympic Games and it looked as if they were heading for the podium during the preliminary round. The only match the Romanians lost at that stage was against Norway. But when playing Hungary in the quarterfinal, Romania lost 34-30 and finished seventh.
- Olympic debutant Sweden impressed in the preliminary round, beating Group B competitors Brazil and Germany. In the final round however, it seemed the Scandinavians had run out of ambition, underperforming against Norway in the quarterfinals.
- In Group A, Kazakhstan missed their chance of qualifying for the final round when they drew against Angola, and instead they finished fifth in the group. With the draw against Kazakhstan being the only game in which Angola took a point, the African team ended sixth in their preliminary group.
- In Group B, Brazil and Germany failed to qualify for the final round. Brazil had ambitions to challenge the European powerhouses and with a win over Korea and a draw against Hungary, the Pan-American champions came close. The Germans were medal contenders before the Olympic Games after winning a Bronze medal at last year's world championships, but only managed to win against Brazil and ended a disappointing last in their preliminary group.

#### **Men's competition: Gold for France, Silver for Iceland and Bronze for Spain**

- France played their way through the preliminary round undefeated, winning against Poland, Croatia, Spain, Brazil and China. In the quarterfinals they beat Russian Fed. and in the semifinals Croatia. France won the Gold medal final against Iceland in convincing style, beating them 28-23. It is France's first Olympic Gold medal in Men's Handball.
- Underdog Iceland impressed everyone with their Olympic Silver medal. They were slightly uneven in the competition, but won against Russian Fed. and Germany and drew with Denmark and Egypt in the preliminary round. In the quarterfinals they met Poland and in the semifinals they defeated Spain. The medal is Iceland's first Olympic Silver medal in Men's Handball.
- Spain had an uneven competition beating Poland, China and Brazil in their Group A matches, but losing against France and Croatia. But Spain got their revenge when they met Croatia again in the Bronze medal match and beat them 35-29.

- The defending Olympic champion had great ambitions, but only came third in their preliminary Group A, with star player Ivano BALIC (CRO) getting injured in the first match and not playing the next three. Still, Croatia went on to beat Denmark in the quarterfinals. But up against France in the semifinals Croatia struggled and lost, to finish fourth.
- Poland finished the preliminary round second in Group A after beating Croatia, Brazil and China, but lost against Iceland in the quarterfinals. Poland finished fifth.
- After finishing last at the European championships earlier this year, Russian Fed. had little to lose. The Russian Fed. only just made to the final round, and lost against France in the quarterfinals. Russian Fed. came sixth in the competition.
- European champion Denmark as the Gold medal favourite before the Olympic Games and lived up to the expectations in the preliminary round. In the quarterfinals the Danes met Croatia and lost, 26-24. Denmark finished seventh in the Men's Handball competition.
- Korea impressed in the preliminary round and finished in first position of Group B. But Korea lost against Spain in the quarterfinal and came eighth in the competition.
- Seeded in Group A with the strong teams France, Poland Croatia and Spain, Brazil had little chance and lost all their matches except against China. With only two points the Pan-American champions finished fifth in their group. China came last with zero points.
- World champion Germany was the competition's biggest disappointment. The team suffered when star player Pascal HENS never returned after a knee injury in Germany's second match, but the team were still expected to perform without him. But when they lost their Group B matches against Iceland and Denmark and only drew with Russian Fed., they were out of the competition.
- With draws against Denmark and Iceland, Egypt managed to get two points in the preliminary round, but it was never enough to challenge the stronger teams in Group B and the African champions finished sixth in the group.

### Brothers and sisters in Olympic Handball

London, 26 July - At the London 2012 Olympic Games Handball competition, five teams will have siblings representing their nations when competition starts.

Brothers Marcin and Krzysztof LIJEWSKI (POL), who played together in the 2007 world championships and 2008 European championships, will line up together.

"It's something very special for us, but more so for our parents. My father is very proud, as he used to be a Handball player as well," said Krzysztof LIJEWSKI (POL).

Tournament contenders France will also line up with brothers, with Bertrand and Guillaume GILLE (FRA) competing in their third straight Olympic Games.

"We have been playing together for 12 years. It's a big thing to play together, especially at the Olympics," said Bertrand GILLE (FRA).

Like the LIJEWSKI (POL) brothers, the French brothers credit much of their success to their father.

"He (their father) has been an influence forever. He is a coach so we train together," says Bertrand GILLE (FRA).

Brothers Raul and Alberto ENTRERRIOS will line up for Spain with Alberto competing in his second Olympic Games and younger brother Raul being a debutant.

In the Women's competition, there are two sets of siblings playing.

The Angolan team, who gained entry into this year's Olympic Games after winning their sixth straight African crown, will see sisters Luisa KIALA (ANG) and Natalie Maria BERNARDO (ANG) competing together for the first time at an Olympic Games.

And favourites Norway have twin sisters Kristine LUNDE (NOR) and Katrine Lunde HARALDSEN (NOR) on their roster.

### **Handball: IOC disqualifies FAMILYNAME Givenname (NOC) for doping violation**

The International Olympic Committee (IOC) on Monday announced that it has disqualified FAMILYNAME Givenname (NOC) from the Handball Men's Tournament of the Rio 2016 Olympic Games.

Immediately after his participation in the match on 11 August, FAMILYNAME, 23, provided a urine sample that tested positive for the prohibited substance 11-nor-delta-9-tetrahydrocannabinol-9-carboxylic acid.

The IOC Disciplinary Commission, composed for this case of Mr Givenname FAMILYNAME (Chairman), Mr Givenname FAMILYNAME and Mr Givenname FAMILYNAME, decided:

- I. The athlete, Mr Givenname FAMILYNAME, NOC name, Handball:
  - (i) is disqualified from the Men's Tournament of the Rio 2016 Olympic Games where he placed 7th;
  - (ii) shall have his diploma in the above-mentioned event withdrawn; and

Under the IOC Anti-Doping Rules applicable to the Rio 2016 Olympic Games, testing takes place under the IOC's auspices from the opening of the Olympic Village to the Closing Ceremony. Within that period, the IOC systematically performs tests before and after events. After each event, the IOC systematically carries out tests on the top five finishers plus two at random. The IOC also performs out-of-competition unannounced tests. Over the course of the Rio 2016 Olympic Games, the IOC is expected to carry out some 5,000 tests - 3,800 urine and 1,200 blood. For more information, please consult the IOC factsheet on anti-doping.
